

THE GREATER
OCEAN CITY
CHAMBER
OF COMMERCE
FOUNDATION, INC.

*“Helping shape the
business leaders
of tomorrow!”*

The Greater Ocean City Chamber of Commerce (GOCCC) Foundation was founded in 2010.

Its mission is to support economic and educational growth in our area through community outreach, scholarships and educational opportunities as well as creating professional and career development opportunities for our region’s future leaders. We have a board of prominent business leaders that assist us with that mission.

To continue to enhance opportunities for a new generation of leaders, the Foundation annually awards the Eunice Q. Sorin Scholarship. This award first began in 2011 to honor Mrs. Sorin, a stellar businesswoman, a philanthropist and an all around amazing woman. She raised her family and ran successful businesses in Ocean City and Berlin which allowed her to become a generous sponsor and donor to many great causes. Eunice Sorin had a deep and lifelong interest in the well-being of all people and believed greatly in education and the opportunities for advancement it can bring. To that end, the Foundation strives to raise funds each year so that we can continue to award scholarships to deserving young people in our community in her name.

To be selected, a student must demonstrate scholastic ability, character, leadership and a strong commitment to the community. The applications are reviewed in a blind process by the Foundation Board against specific criteria. Applications are available on the website and the deadline is mid January each year.

The GOCCC Foundation scholarship program is an example of the organization’s support for the business community, helping young men and women take the next step in their education and inspiring leadership in our communities.
